To Whom It May Concern:

Danny Kanaan, trading as New-Age Interior Linings, has done the interior fitouts on most of our projects over the past 7 years.

This includes Suspended Ceilings, Partitions, Ornate Cornices and all aspects of Plasterboard Work.

Danny and his team are honest and reliable and their workmanship always exceeds our expectations. Over the years we have developed an excellent working relationship with them. Danny & his team work well with other contractors and are always willing to assist and overcome any difficult task.

Some of our projects New-Age Interior Linings have worked on include the following:

- 22B Vaucluse Road, Vaucluse - \$5M Luxury House Construction  
All suspended ceilings including coffer ceilings and bulkheads with P50 shadow line finish to walls
- 17 Tiree Avenue, Hunters Hill - \$4.2M Luxury House Construction  
Raked suspended ceiling to most rooms of house with large vault ceiling to the living area with curved bulkheads to family and theatre room, large ornate cornices to bedrooms
- 9 Ada Avenue, Strathfield - \$3.5M Luxury House Construction  
Included stud work partitioning, flush suspended raked ceilings, drop down pelmets to all windows and blinds and bulkheads
- 166 The Grand Parade, Monterey - \$3.4M, 6 Luxury Apartments  
Suspended ceilings, curved bulkheads, external villaboard ceilings
- Similar internal residential fitouts to other projects, including houses, villas, townhouses and units
- Commercial office fitouts including Level 2 World Tower, Level 15 Grosvenor Place and Level 1 Westpac Building

New-Age Interior Linings is our preferred contractor. We strongly recommend them to anyone seeking their services.
