

New-Age Interior Linings
Gold Licence No. 85699c

REFERENCE

Date 16/07/07

We have had the pleasure of engaging New-Age Interior Linings for various projects including the fit-out of various residential projects. The service and quality of work are second to none as is the attention to detail and professionalism provided.

Innovative has recommended New-Age Interior Linings for many of our design projects and they will continue to be our preferred plastering company. New-Age Interior Linings have been recently chosen to fit-out a terrace project in the Eastern suburbs commencing July 2007.

Regards,
Gihad Bechara
