

INFINITY

CONSTRUCTIONS

To whom it may concern

In the last 7 years New Age Interior Lining has successfully completed several large projects for Infinity Constructions. During this period New Age Interior Lining have completed two luxury homes in the Eastern suburbs of Sydney. On these two projects the qualities of the finishes were first class.

New Age Interior Lining have also completed a shopping center in Harrington Park and several Hotel fit outs, these hotel fit outs were carried out in an extremely demanding environment with tight deadlines during the hotel fit out New Age Interior Lining delivered what they promised.

Currently New Age Interior Lining are assisting us to complete the fit out of a six million dollar apartment in the city.

During that time I have had the pleasure of working with New Age Interior Lining I have found them extremely honest and reliable and I am happy to recommend them to carry out any project.

Yours Sincerely,
INFINITY CONSTRUCTIONS
